AGREEMENT

As a participating Coach of ……., I confirm that:

- I support the responsible onboarding and development of players through Talent Engine.
- I understand the purpose of Talent Engine and its role in supporting grassroots football players.
- I will encourage accurate and honest representation of player ability, experience and achievements.
- Where appropriate, I will assist with the verification of player information and football-related content.
- I will support compliance with parental or guardian consent requirements for under-18 players.
- I understand that safeguarding and player welfare take priority over exposure, recruitment opportunities and performance outcomes.
- I will report any safeguarding, privacy or welfare concerns that come to my attention through use of the platform.
- I will not knowingly submit false, misleading or inaccurate player information.

- I will only use player information for legitimate football development, coaching and recruitment purposes.
- I understand that access to player information may be monitored, restricted or revoked where necessary.

COACH DECLARATION

I confirm that I am willing to::

- Review player profiles.
- Verify player information where appropriate.
- Support player development.
- Recommend players where appropriate.
- Promote safe and responsible use of the platform.
- Cooperate with safeguarding, moderation and verification processes.

CONSENT

I confirm that I agree to participate in and support the Talent Engine platform in accordance with its safeguarding requirements, privacy obligations, platform policies and commitment to supporting grassroots football talent.
